

List of equipments subject to “Green Stamp”

IT and telecommunications Equipments

Centralized data management :

- a) Servers

Personal IT Equipment:

- a) PCs
- b) Portables (notebook)
- c) Dot matrix Printers, ink jets, laser printers
- d) Copy-machines, scanners, multifunctional
- e) Electric and electronic type writers, shredders, laminators, counting and money packaging machines, checkers, currency verifiers.
- f) Non-interruptible power supplies (UPS)
- g) Video-projectors
- h) Monitors
- i) External Modems
- j) Routers, switches, hubs

Terminals and user systems:

- a) Fax machines
- b) Telex machines
- c) Cashiers, POS
- d) Public phones
- e) Cordless phones
- f) Cellular phones or for other cordless networks
- g) Telephone operator machines and answering machines
- h) Video and intercom system
- i) Automatic currency exchange machines, ATM

4. Other appliances

- a) Audio recording machines (tape recorders, CD players)
- b) Television Sets
- c) Video and Photo cameras
- d) VCRs, DVD, satellite receivers
- e) HI FI units
- f) Audio amplifiers
- g) Music instruments
- h) Radar detectors and GPS systems
- i) Speakers

7. Toys, sports equipment, leisure units

- a) Electric trains and racing cars
- b) Play stations
- c) Video games
- d) Sports equipment with electric-electronic components

9. Surveillance equipment

- a) Smoke detectors
- b) Heat regulators
- c) Thermostats
- d) Measuring units, units for weighting, or tuning, i.e. for home or lab use
- e) Oscilloscopes, signal generators.
